

TOTNES BOATING ASSOCIATION

APPLICATION FOR WINTER STORAGE AND CRANING 2017/18

I would like to store my boat in the TBA Boat Park between October 2017 and April 2018

- I confirm that I will adhere to the TBA's Rules and Bye Laws (specifically Bye Laws 4 and 5).
- I confirm that I am insured for third party liability and fire damage & attach a copy of my certificate.
- I agree that the TBA shall not be liable for any damage whilst my boat is stored in the Boat Park.
- I agree that if my boat is sold, charges remain my responsibility until otherwise agreed with the TBA.
- I agree to remove all paint & anti-foul scrapings and any other waste daily.
- I confirm that I will keep my boat and surrounding area in a clean and tidy condition.
- I confirm that I will adhere to any safety or other instructions given by the Chief Ship's Husband.

Due to the rising crane costs the rate for lifting a boat from the water to the boat park has had to be standardized at £87.00 per boat. Boats over 8m will be charged an extra £11.00 per metre over 8m rounded up to the nearest 0.5m.

The overall length for winter storage must be as stated overleaf and if the boat is on a trailer must include the length of the trailer drawbar. Boats normally recovered from the river by their owners on a trailer must not be placed in the boat park until after the craning operations have been finished.

Winter Storage in Boat Park - £47.50 p/mtr. Afloat in Mill Tail - £25.00 p/mtr. Canoe Storage - £30.00 p/a.

Craning Out (12th and 13th October 2017) - £ 87.00 per boat up to 8m

WINTER STORAGE AND CRANING 2017/18

The charges for Craning and Storage are shown below. Boat length must be measured as the total overall length, i.e. the length a cardboard box would be if it was placed over the boat including bowsprit, pulpit, outboard, rudder, bathing platform, trailer drawbar, etc. where normally fitted. The length should be rounded up to the nearest 0.1M.

Please note that if you have a trailer that is locked in any way, a duplicate key or the combination must be behind the bar in the box provided. Do not remove trailer wheels.
